

CEN/TC 254/SC 2 – Call for Experts – Task Group 6 (TG6) Revision of EN 13583 Determination of hail resistance

Circular letter for action to:

- the members of CEN/TC 254/SC 2

Circular letter for information to:

- the secretariat of CEN/TC 254
- CCMC Mr A. Da Costa

Dear Sir or Madam

On its last meeting, 6th/7th May 2010 in Rome, CEN/TC 254 decided on request of Switzerland (doc. CEN/TC 254 N1125) to revise EN 13583 (Resolution 316, doc. CEN/TC 254 N1127). The revision work is assigned to CEN/TC 254/SC 2.

SC 2 appointed during its meeting, 30th June 2009, the convenor of task group 6: (doc. CEN/TC 254/SC 2 N479)

Mr
Hansrudolf Unold
Dipl. Architect FH
Sika Services AG
Industriestrasse 26
CH 6060 Sarnen
Switzerland

unold.hansrudolf@ch.sika.com
+41 58 436 75 58

We kindly invite you to participate in the mentioned task group. Please announce your participation by E-Mail to ruth.schneider@snv.ch until **Thursday, 30th September 2010**.

It is intended to hold the first meeting of the TG6 in the first half of October 2010.

Kind regards

Ruth Schneider
